① Explored Texas, Florida
② Building Missions & Presidios

To establish 21 missions
in California & many in
lower border of the
USA; it was as if it were
a series of forts, because
each had its military
Presidio.

In Northern Calif. it
served as deterrent to
Russian Encroachment from Oregon.
Along US southern border
it served to deter US, French
& others of approaching Mexico.

③ These missions taught
agriculture skills & the
Christian tenets
④ Expand beyond their
ability to police & protect
